HOUSING PREFERENCES—please read the following before marking your housing preference:
• Lewis Hall is the only dual-gender hall, housing men and women on separate floors sharing a common lobby.
• Honor Floor placement is a privilege offered to students with a cumulative GPA of 3.5 on a 4.0 scale, who demonstrate good character and self-discipline, and are involved in campus organizations. If you are eligible and interested, please indicate that as your first preference below. Because of limited space forms received after Feb 1, cannot usually be considered for placement.
• Hall preferences are taken into consideration in the order applications & deposits are received as availability allows. We try our best to make compatible assignments, but toward the end of the process it becomes difficult as the number of options narrows.
