General Council of the AG Tuition Discount

We are pleased to offer a 50 percent tuition discount on classes taken at Evangel University to the dependents (based on the FAFSA criteria) of full-time employees of the General Council of the Assemblies of God, who have been employed for at least two years prior to the semester of enrollment; married children are not eligible for this discount. If the employee is terminated, the tuition discount is also terminated at the end of the semester for which the student is currently enrolled. It is the student's responsibility to notify the Student Financial Services Office of any change in eligibility status.

The discount does not apply to classes taken off campus (i.e. Study Abroad, Cox School of Nursing and Health Sciences or courses taken at other institutions), nor does it apply to Graduate or Adult Degree programs.

Our desire is to eliminate any problems for the student during financial registration by having the discount already credited to their student account. Please let us know if your student is eligible by completing the requested information below.

Please note: Student becomes ineligible for discount if

1. Married OR older than 23 years of age during current academic year.
2. Not eligible for financial aid due to poor academic performance.
3. Account is more than one semester delinquent.
4. Student is placed on disciplinary status of personal probation or higher.
5. Classes are not taken on the campus of Evangel University.

If you have any questions or concerns, please contact our office at the telephone number listed above.
