Dining Etiquette
As a part of the Evangel University family using the dining hall and Joust, students are expected to assume some “family” responsibilities. To help us maintain a clean and enjoyable dining atmosphere:

- Please pick up after yourself.
- If you make a mess and need assistance, please notify an Aladdin staff member.
- For your protection, please pay attention to safety signs.
- In the tray return area, please throw your trash away. You don’t have to scrape your plate, just drop into the trash receptacles any (napkins, paper products, plastic items, chicken bones, corn dog sticks, and anything else that should not go down a garbage disposal).

Recycling & Sustainability
Recycling is a passion of ours! We are now a tray-less campus which will help reduce water waste and chemical absorption into the water supply. Our staff also recycles aluminum, plastic, card board and cans. If you are interested in helping, please contact Todd Lanning at lanningt@evangel.edu.

Here are a few ways that you can reduce waste and help our campus be more sustainable.

1) You can reduce waste by asking for just the amount of food you know you can eat.
2) Utilize our recycling bin for cans, plastic bottles, and paper. If you have more ideas for enhancing recycling and sustainability, please leave a comment card (available near the cashier’s stand).

Guide to Dining Services

Evangel University

1111 N Glenstone Ave., Springfield, Missouri, 65802
Welcome! Aladdin Food Management Services staff of Evangel University is pleased to welcome you to an exciting year on campus! We will be kicking off this semester with a delicious menu of dining options that will help make your academic experience more enjoyable. This Guide to Dining Services has been designed especially for you—so keep it handy! It will serve as your map to all of our services across campus throughout the year. Good luck, and enjoy!

USE OF MEAL PLANS
All students who live in one of the residence halls must participate in an approved meal plan. Each plan includes an unlimited number of seconds while eating in the dining center. All students will be placed on the 19 meal plan unless other arrangements are made through the University Housing Office. Students may change meal plans until Friday, September 6, 2013 for fall semester and Friday, January 17, 2014 for the spring semester. After this deadline, you may not reduce your meal plan; however, you may increase your meal plan if you find that you are running out of meals. The meal plan you purchase equals the number of meals you can eat during that week. The week starts on Sunday and goes through Saturday. Students will be required to pay cash for any meal they wish to eat after their meal plan runs out for that week. Many students on the 10 Meal Plan have run out of meals as early as Thursday, so choose carefully.

MEAL PLAN OPTIONS
10 Meal Plan: Entitles you to any 10 of the 19 weekly meals served but does not include any Crusader Bucks. Meal equivalency is available for use at The Joust.
15 Meal Plan: Entitles you to any 15 of the 19 weekly meals served but does not include Crusader Bucks. Meal equivalency is available for use at The Joust.
19 Meal Plan (Best Value): Entitles you to all 19 weekly meals and includes $75.00 of free Crusader Bucks that can be used at Crusader Dining Hall and The Joust. Meal equivalency is available for use at The Joust.

Only the money you deposit carries over.

$75 dollars of Crusader Bucks are included free with the 19 meal plan ($75.00 buying value per semester) that can be used at The Joust and Crusader Dining Hall for purchase of other food items and meals. Meal Plan Crusader Bucks do not carry over to the next semester.

When requesting a bag lunch, please try to give us at least 48 hours notice. If you sign up for a bag lunch or special meal program, you will be charged for that meal, unless you cancel 24 hours ahead. All meals in The Joust can be made-to-go, and you can choose from wraps, pizzas, pre-made sandwiches, chicken sandwich, cheeseburger, and salads. If you have any questions or problems, please contact Todd Lanning.

MONTHLY SPECIAL EVENTS AND CONTESTS
Everyone looks forward to our monthly buffets and special events. We have holiday-themed menus and events throughout the year. Please keep an eye on table tents and emails informing you of what is coming.

SPECIAL DIETARY NEEDS
Our team is experienced in accommodating special diets for our guests (on an individual basis) who have a medical need. We strive to provide a complete, convenient dining experience for those with special requirements. Through a variety of programs we can now accommodate students with gluten free diets and other special diets or allergies. Please contact Todd Lanning to set-up a time to go over your needs. We do offer soy milk and some gluten free products in a specially marked refrigerator in Crusader Hall.

SICK TRAYS
We understand that there is nothing more miserable than being ill and unable to make it to meals. Please either have the Wellness Center give us a call or send a friend with your ID card and an authorization from your RA, and we’ll have a “take-out” meal prepared for you.

MENU INQUIRIES
Wondering what’s for lunch or dinner? Check out our menu and events calendar website. We post a menu board in the foyer of the Student Union as well as online. Go to www.Evangel.edu, then choose “Current Students” tab and you will see a menu link for “Food Services Menu.”

REGISTERED DIETITIAN
Please contact our manager if you have special dietary needs. Through our corporate office, we have a wealth of resources available to our guests, including the expert guidance of a registered dietician. Arrangements can be made for individual consultations concerning any dietary needs, such as sports nutrition, weight control, food allergies, or medically prescribed diets.

CONSUMPTION OF FOOD
In Crusader Dining Hall, food is served in an “all you can eat” cafeteria style. However, to maintain reasonable prices for everyone, all food taken is to be consumed in the dining center. With the exception of an ice cream cone, a piece of fruit, or a cookie, we ask that food may not be taken out of Crusader Dining Hall.

We also ask that you respect our two entree rule, which limits the number of entrees taken at any one time. Here are the reasons for this rule:

• If you get too much food at once, your food will get cold before it all is consumed.
• To be sustainable in our environment, we need to reduce waste. If you take only a few menu items to start with and then come back later for the rest of what you are able to eat, less food will be wasted. Evangel throws away an average of 15 tons of garbage per week!
