*Master of Music in Music Education*

Name \_\_\_\_\_ Advisor \_\_\_\_\_ Date \_\_\_\_\_

Catalog (date) \_\_\_\_\_ Admittance to Program (date) \_\_\_\_\_ Candidacy (date) \_\_\_\_\_

Upon completion of the *Master of Music in Music Education* degree, the graduate should be able to demonstrate:

1. The ability to function effectively as a music educator both musically and administratively
2. An understanding of and ability to utilize research methods designed to improve practices in schools, classrooms, rehearsals and performances, and the ability to frame the results in a scholarly manner
3. The ability to organize and develop a program of choral, instrumental or elementary music including personnel, facilities, equipment and budget—or to make a contribution of value to an existing program
4. Extended knowledge and experience in the area of classroom teaching and/or rehearsal settings, including conceptual understanding and practical application of methods that support learning
5. Knowledge of current trends and issues in music education
6. A basic understanding and working knowledge of current music technology for use in practical and artistic applications
7. The ability to prepare musical experiences that are informed by an understanding of applicable historical performance practices
8. Demonstrate knowledge of principles of harmony, musical form, and compositional process, and the ability to use this knowledge in written, verbal, aural, and visual analyses.
9. The ability to articulate a Christian worldview of teaching and music education
