Paver Project: A memorable way to honor your part in our history

Some moments in time are worth remembering forever. The years we spend during college — walking the hallways with friends, learning together and worshipping in chapel — are memories we hold for a lifetime.

Our university has certainly made an impact on each of us.

This year, Evangel is offering a unique opportunity for us to give back. Brick pavers are being made available for purchase to be placed in walkways in front of the Robert H. Spence Chapel.

Over time, the Évangél landscape will continue to be enhanced by the warmth of these brick pavers as generations of students, alumni and faculty purchase them.

Alumni will point to their own names as a permanent part of the Evangel landscape, providing a perfect conversation point for talking with children and grandchildren about the opportunities for *their* future at the comprehensive Evangel University.

An opportunity to show honor

Think about those people who have impacted your life. These pavers may be purchased in honor of someone else — a favorite professor, a beloved administrator, a graduate, or perhaps as a memorial to a loved one.

They make perfect gifts, too!

The Evangel University Auxiliary

This fundraising effort is a project of the Evangel University Auxiliary.

Founded in 1955, the ladies have raised more than \$1.3 million for special projects including the massive pipe organ in the chapel, state-of-the-art equipment for the TV studio, new uniforms for the EU marching band and numerous scholarships for needy students.

Volunteers are welcomed. Please e-mail EUAuxiliary@evangel.edu or call (417) 865-2811, ext. 7290, for membership information. •
