Program Competitive Admission Requirements**

1. During ATEP 124, the prospective athletic training student (ATS) is expected to observe the daily operations of the Evangel University athletic training facility and the ATC’s within that facility. A minimum of 30 observation hours is required to pass ATEP 124 in the fall of the freshman year.
   a. Students enrolled in ATEP 124 are not allowed to engage in contact with any EU student-athlete. Students who have not been conditionally admitted may only observe.
   b. Please see conditional admission requirements below:
      i. Complete ATEP 112, ATEP 124, ENGL 102 or equivalent and PSYC 112, with a minimum grade of (B) in each class.
      ii. Have required minimum GPA of 2.75 in all courses taken at the University.
      iii. Complete required 30 hours of observation in the athletic training room.
      iv. Complete application for admission of the Athletic Training program, and turn in by November 1 to the Program Director.
      v. Complete competitive interview with Athletic Training program educators.
      vi. Conditional admittance will not be granted until completion of the above requirements can be verified.
   c. Students who violate these guidelines will not be allowed to apply for conditional admittance and will not be given opportunity for non-conditional admission to the athletic training program.

2. In ATEP 236, after a student has been conditionally admitted into the EU ATP, a minimum of 75 clinical hours is required to pass ATEP 236 in the spring of the freshman year.
   a. Students enrolled in ATEP 236 are allowed to only perform first aid and CPR/AED skills on an EU student-athlete under the direct supervision of a preceptor. Students who have proven competency in taping skills taught in ATEP 236, may use those skills only after the professor of ATEP 236 has communicated to the clinical education coordinator that those skills have been taught, tested and proven.
   b. Please see non-conditional admission requirements below.
      i. Complete the required pre-requisites of ENGL 102 or equivalent, ATEP 112, ATEP 124, PSYC 112, ATEP 236, BIOL 123 with a minimum grade of B in each class.
      ii. Have required minimum GPA of 2.75 in all courses taken at the University.
      iii. Complete required 75 clinical hours in the athletic training room in ATEP 236.
      iv. Removal of “conditional terms” will not be granted until completion of the above requirements can be verified.
   c. Students who violate these guidelines will be removed from conditional admittance and will not be given opportunity for non-conditional admission to the athletic training program.

3. Complete the prerequisite courses, observation hours, clinical hours, and application process.
4. Have application for conditional admission turned into the Program Director by November 1.

Program Retention Requirements
1. Maintain minimum overall GPA of 2.75 and professional GPA of 3.0
2. Obtain a minimum grade of “B” or higher in all clinical courses (ATEP 200, 392, 393, 492, 493)
3. Complete all check sheets with an 80% or higher to prove competency
4. Accumulate a minimum average score of 3.5 points out of 5 points on clinical performance evaluations
Requirements for Completion of Degree

1. Complete all ATP curriculum as stated by program requirements with minimum of “C” or “B” as previously stated
2. Complete Frameworks curriculum as stated by the undergraduate catalog
3. Obtain satisfactory grade in capstone project and presentation
4. Apply for graduation as stated by the requirements of the registrar

** Competitive admission does not mean all students who apply to the program are admitted. Students are selected based on performance in the classroom, performance in observation and clinical experiences, and interview skills in individual interviews with the ATP program selection committee.
