### USE OF MEAL PLANS

All students who live in one of the residence halls must participate in an approved meal plan. Each plan includes an unlimited number of seconds while eating in the dining center. All students will be placed on the 20 meal plan unless other arrangements are made through the University Housing Office. Students may change meal plans until Friday, September 4, 2015 for fall semester and Friday, January 22, 2016 for the spring semester. After this deadline, you may not reduce your meal plan; however, you may increase your meal plan if you find that you are running out of meals. The meal plan you purchase equals the number of meals you can eat during that week. The week starts on Monday and goes through Sunday. Students will be required to pay cash for any meal they wish to eat after their meal plan runs out for that week. Many students on the 10 Meal Plan have run out of meals as early as Thursday, so choose carefully.

### MEAL PLAN OPTIONS

| 10 Meal Plan | Entitles you to any 10 of the 20 weekly meals served but does not include any Crusader Bucks. Meal equivalency is available for use at The Joust. |

### WHAT IS MEAL EQUIVALENCY?

Meal equivalency is the value that you can spend at The Joust in lieu of using your meal plan at Crusader Dining Hall. Equivalency Hours for The Joust: Monday - Friday: Lunch Hours: 10:30 a.m. - 3:45 p.m. Dinner Hours: 4:00 p.m. - 7:30 p.m.

### WHAT ARE CRUSADER BUCKS?

Crusader Bucks are funds that can be deposited and used with your PROX Card (Student ID card). These funds are available for purchase and can be used at The Joust, Crusader Dining Hall, or other campus locations. Only the money you deposit carries over.

### SPECIAL DIETARY NEEDS:

Our team is experienced in accommodating special diets for our guests (on an individual basis) who have a medical need. We strive to provide a complete, convenient dining experience for those with special requirements. Through a variety of programs we can accommodate students with gluten-free diets and other special diets or allergies. Please contact stuffing Lanning to set-up a time to go over your needs. We will offer soy milk and some gluten-free products in a specially marked refrigerator in Crusader Hall.

### SICK TRAYS:

We understand that there is nothing more miserable than being ill and unable to make it to meals. Please either have the Wellness Center give us a call or send a friend with your ID card and an authorization form, and we will have a "take-out" meal prepared for you.

### DELICIOUS PERKS

**Busy Schedule? We can accommodate!**

We understand how hectic the lives of college students can be - with athletics, clubs, and jobs in addition to classes. To help accommodate busy schedules, we can offer bag lunches, or a few other options for students with a busy schedule. To set up a plan that meets your needs contact Todd Lanning, your Food Service Director, at ext. 7252 or lanningt@evangel.edu. When requesting a bag lunch, please try to give us at least 48 hours notice. If you sign up for a bag lunch or special meal program, you will be charged for that meal, unless you cancel 24 hours ahead. All meals in The Joust can be made to go, and you can choose from wraps, pizzas, pre-made sandwiches, chicken tenders, cheeseburger, and salads. If you have any questions or problems, please contact Todd Lanning.

### MONTHLY SPECIAL EVENTS AND CONTESTS:

Everyone looks forward to our monthly buffets and special events. We have holiday-themed menus and events throughout the year. Please keep an eye on table tents and emails informing you of what is coming.

### CONSUMPTION OF FOOD

In Crusader Dining Hall, food is served in an "all you can eat" cafeteria style. However, to maintain reasonable prices for everyone, all food taken is to be consumed in the dining centers. With the exception of an ice cream cone, a piece of fruit, or a cookie, we ask that food not be taken out of Crusader Dining Hall.

We also ask that you respect our two entrée rule, which limits the number of entrees taken at any one time. Here are the reasons for this rule:

- If you get too much food at once, your food will get cold before it all is consumed.
- To be sustainable in our environment, we need to reduce waste. If you take only a few menu items to start with and then come back later for the rest of what you are able to eat, less food will be wasted. Evangel throws away an average of 15 tons of garbage per week!
