

Certificate in Crisis Intervention & Suicide Prevention

Online

Overview

Gain a foundational understanding of common crisis issues and learn how to assist individuals facing domestic violence, sexual abuse, mental illness, and substance abuse. Gain skills in relevant assessment and intervention models as you guide people towards a healthy response to stress and its triggers.

Experienced professors provide guided mentorship as you pursue a behavioral health-focused career and learn valuable strategies in recognizing patterns of abuse and neglect and the psychology of adjustment and personal development.

Courses:

- Abuse & Neglect
- Helping Skills in Behavioral Health
- Mental Health & Wellness
- Crisis and Brief Interventions

FORMAT

Our flexible format includes four online, accelerated, seven-week courses that accommodate your busy lifestyle. These courses are also included within the program scope of our Bachelor of Science in Behavioral Health program should you decide to pursue our undergraduate degree option.

COST

Tuition \$65/credit hour and a \$50.00 fee for certificate only students. (\$830 cost of certificate)
Federal aid is not available for certificate only students.
