

Certificate in Worship Arts Leadership

Online

Overview

This certificate program provides the foundation in leadership principles and musical practices needed to reach the church community at large. The theological depth of this program will enable students to lead in ministry and produce appropriate service design at the highest level.

Learning Outcomes:

- Discover personal ministry values
- Discover and explore positive results of strategic service design
- Develop long-term ministry relationships that develop at the local church level
- Foster and strengthen involvement in leading or participating in local church worship arts programs

Courses:

- Worship Leadership
- Administration in Creative Arts Worship
- Church Music History Survey/Hymnology

FORMAT

All courses are a 7 week accelerated format.

COST

Tuition \$315/credit hour for certificate only students.
Federal aid is not available for certificate only students.
