EU Launch is Evangel’s new student orientation week that precedes the beginning of classes. The goal is to prepare incoming freshmen and transfer students for life-changing experiences by connecting them with faculty, staff, and other students. EU Launch prepares students to succeed in their academic, spiritual, and social development while creating memories and igniting lifelong friendships.

Parents and families are welcome to attend EU Launch. Special events are scheduled for them Friday through Sunday afternoon. A detailed schedule with times and locations will be available online in April. Students and their families are strongly encouraged to attend all applicable events.

Please note, food service is not available during Thanksgiving, Christmas and Spring breaks.

The food service staff also works with students who have specific dietary requirements due to allergies, medically required meals, and maintaining a gluten free diet. Are you a vegetarian? We also offer several options to meet those needs as well. Contact Joey Roberts at robertsj@evangel.edu, 417-865-2815, ext. 7252, or see her at the Crusader Dining Hall for a consultation. If food service is unable to accommodate a severe medical dietary need, the director may suggest other alternatives. Question & Answer Section
1. May I purchase a meal plan as a commuter student?
Yes, commuter students may choose a block plan. Refer to page 9 for more information.

2. May I remain on campus during fall and spring breaks?
Yes. Meal service is provided during fall break, but not during spring break. However, there are several dining options nearby including Taco Bell, Sonic, Schlotskys, and Rib Crib.

3. May I remain on campus during Christmas break?
Please contact the housing office at 417-865-2815 x7335 after the start of the semester if you need Christmas break accommodations. An additional fee of $250 is required.

4. How can I find a job?
Evangel University Career Services, located in the Student Success Center, offers a variety of resources to assist with the job search and career development process. Resources include: career-related workshops, individual career counseling and job search assistance, career and strengths assessments, career-related workshops, on-campus recruitment and career fair opportunities, cover letter and resume writing assistance, graduate school exploration, online tools, and more.

Campus jobs are competitive and many students secure the same position for all four years of attendance. Students can view work study and other on-campus positions, as well as off-campus jobs and volunteer opportunities at www.HireEvangel.com.

The Federal Work-Study (FWS) program is a student employment program through which the federal government subsidizes earnings for hours worked in campus employment positions. It is a need-based program, meaning students must demonstrate financial need on their FAFSA in order to work and earn FWS dollars that will assist in educational and living expenses while attending school. It is not an automatic financial award, but rather an opportunity to earn the award by taking the initiative to find a job on-campus and earn wages. Due to funding restrictions, FWS positions may not be available to all eligible students.

Students interested in directly depositing their paycheck into their student account may opt for voluntary payroll deduction (contact Office of Human Resources for additional information). This form needs to completed and signed each academic year.
5. How can I get involved in ministry?

CROSSwalk
CROSSwalk is Evangel’s student-led organization that connects students with ministry opportunities through: activities and events, children’s ministries, discipleship, impact teams, missions, outreach, and public relations. During EU Launch, and in the first few weeks of school, you will have an opportunity to meet CROSSwalk leaders and learn about the many ministries and activities.

Involvement Opportunities

On campus
• Hall discipleship: Serve as a devotions leader on your floor.
• Activities and events: See You at the Pole, 24 Hours of Prayer and Worship, Make A Difference Day, Student-Led Chapel, Sandbox Chapel and more! Opportunities to preach, lead worship and serve in various other ways.

In Springfield
• Outreach: Partner with various organizations to serve the Springfield community and beyond.
• Children’s ministry: Work with local organizations and/or churches to minister to local children.

Around the World
• Missions trips: Minister cross-culturally on one of our short-term missions trips around the world.
• Impact teams: Performance ministry teams travel in the US ministering with dance, drama, worship, and preaching.
• Children’s ministry: Teams may travel in the U.S. or abroad to minister to children.

6. Where can I find help if I’m sick?
Students who become ill or injured may be treated in the Office of Health Services, located in the Student Union 106. Enrolled students who have paid the general student fee may schedule appointments with our certified family nurse practitioner. The nurse practitioner can diagnose and treat most common, non-emergency health conditions that students experience during their college years. Students may be seen for an unlimited number of appointments without office visit charges or copays. Nominal fees are charged for immunizations, laboratory tests, medications and some procedures. Office hours are 8 a.m.–4 p.m. weekdays. Call 417-865-2815 x7280 to schedule appointments.
