

Bachelor of Arts and Bachelor of Science in Youth Ministries

The following Program Learning Outcomes have been established by Evangel faculty to define the areas of knowledge and skills that students graduating from this major degree program should have developed.

Mandates	Demonstrate an understanding of the biblical mandates of evangelism, discipleship and equipping/mobilizing students for ministry, establishing a balanced foundation for ministering to young people.	YM1
Strategy	Utilize foundational knowledge to develop a holistic, and intentional strategy for effective ministry to young people.	YM2
Implementation	Implement determined core knowledge regarding the Biblical mandates and ministry strategies specific to the needs of young people.	YM3
Progress	Determine the extent to which young people have progressed on their spiritual journey.	YM4
