[1] This major requires an additional minor, concentration, or major to graduate.

[2] 124 credits, including 36 upper division credits, are required for graduation.

[3] If BIBL 296 is taken for another program, it is not necessary to have a substitute course.

[4] Latin or Linguistics would have to be transferred from another institution.

[5] BIBL 337 cannot be used for the elective if it is being used for another program (e.g., the Biblical Studies major).

[6] The goal of the program is to be flexible, especially for those planning on graduate school or becoming a translator.

[7] Certain other MATH courses, taken pre-matriculation, can substitute for Statistics.
