

Criminal Justice

The Criminal Justice Program at Evangel University prepares graduates for competent service within the criminal justice field and for success in graduate school. Utilizing a Christian world view, students are given tools to practice in a broad spectrum of employment within the field to include law enforcement, corrections, investigations, and juvenile justice and probation and parole systems.

1. Equip students with knowledge and understanding of the history and operation various components in the criminal justice system
2. Prepare students to think critically and develop an understanding of the various criminological theories
3. Equip students with the knowledge and skills to competently apply principles of criminal investigation.
4. Prepare students to demonstrate an understanding of concepts and theories of police administration:
5. Develop within students the understanding and application of significant law enforcement
6. Equip students with knowledge and history of state and federal laws
7. Prepare students to function competently and ethically within a criminal justice setting
8. Prepare students to work in the criminal justice field using a Christian world view as their lens
