While not required, students are encourage earn credits for participation in Enactus (MRKT 194/294 Free Enterprise or the Student Investment Group (FIN 299). Substitute another course if you are not required to take the course listed because of ACT/SAT scores or have met a course requirement by completing high school advanced placement (AP) or dual credit courses or by completing summer courses after enrollment. These additional courses expand your opportunity to graduate early, pursue a double major, or add a minor.

See the degree sheet to identify courses that are offered only one semester a year or every other year. While students are ultimately responsible for meeting all of the requirements of their degree program, we encourage each student to work closely with the assigned academic adviser for guidance. **Before entering your Junior year, ask for assistance in developing a graduation plan with projected daily schedules for each remaining semester to help assure that you will complete your major with preferred electives without conflicting course times.**
