

MASTER OF SCIENCE IN CLINICAL MENTAL HEALTH COUNSELING

Counseling is a professional relationship that assists diverse individuals and groups to achieve mental health across the lifespan.

Evangel University's **Master of Science in Clinical Mental Health Counseling** trains students to become professional counselors equipped to integrate their **Christian faith** with theory and practice. The program provides the theoretical and practical training necessary to provide **evidence-based interventions** and **trauma-informed care**.

- Completion of coursework satisfies specific course requirements for licensure as a Licensed Professional Counselor (LPC) in Missouri.
- Program graduates serve in community mental health facilities, private practices, medical facilities, substance abuse programs, correctional facilities, and more.

Ideal program candidates are **aspiring caregivers** who are ready to develop their clinical skills and have a **passion to serve** in public and private mental health agencies.

Prerequisites:

- Baccalaureate degree with a 3.0 GPA
- Nine credits in psychology
- Three credits in statistics with a grade of B- or higher

Next program start: August 2018. Application deadline is July 1, 2018.

Program format: on-campus late afternoons and evenings plus practicum and internships

Credits: 60 credits, year-round program typically completed in two years

Tuition: \$400 per credit for 2018-2019

ADMISSIONS REQUIREMENTS

Three References, Resume, APA Writing Sample, Statement of Purpose, Interview, \$25 Application Fee, and Background Check (*Required for Practicum and Internships*).
