

# MASTER OF ORGANIZATIONAL LEADERSHIP

**Leading an organization is about developing the ability to see opportunities and influence others to achieve them.**

Evangel's **Master of Organizational Leadership** program provides application-oriented coursework that increases your organizational and leadership knowledge, clarifies your leadership brand, and enhances your skills to lead others. With an emphasis on the **Baldrige Excellence Framework**, you will learn to invest in quality and performance excellence leading to:

- ▲ increased effectiveness for your organization,
- ▲ satisfied employees and customers, and
- ▲ personal fulfillment as you refine your calling and strengths.

Ideal program candidates are **aspiring leaders** who are ready to develop their skills and **in-position leaders** who desire to expand their influence.
