

EVANGEL UNIVERSITY

Education Department

The theme for the Evangel University Education Department is “**caring, committed, competent educators shape the future.**” It is expected that a graduate will not only be professionally competent but will be a caring and committed educator dedicated to making a positive difference in the lives of young people and in our society and the world. For in their careers, these educators will have the opportunity to mold and nurture the youth who will be the decision makers of the future. This concept is compatible with the mission of the university that emphasizes a commitment to educate and equip students to become Spirit-empowered servants of God who impact the Church and society globally.
