

Pre-Physical Therapy Track (Biology Major)

If you are interested in the field of Physical Therapy, Evangel University offers two different courses of study. For those of you who would like to pursue a career focused on athletics and exercise therapy, the Allied Health Pre-Physical Therapy may be the track for you. If you are more intrigued by the biology and chemistry behind physical therapy, the Pre-Physical Therapy – Biology may be the track more suited to your interests.

Suggested Course Sequencing: Recommend 15 – 18 semester hours;
however, attending summer school will reduce semester hours.
