## Services

Career Services staff members stay busy interacting with students and alumni regarding all aspects of career development, including:

- Choosing majors and exploring career options
- Searching for part-time, seasonal, internship, volunteer, and full-time opportunities
- Connecting students with professionals for networking purposes
- Assisting with writing and editing cover letters, resumes, applications, and personal statements
- Preparing for the interview process and conducting practice interviews
- Helping students explore graduate school programs, and options
- Hosting on-campus recruiters
- Working with alumni regarding changing careers, and re-entering the workforce

Career Services staff had more than **360** scheduled appointments with students and alumni. This does not include the great number of walk-ins assisted on a daily basis. Additionally, Career Services staff had the opportunity to visit and present information to more than **150** students through **14** class visits during the academic year.

Evangel students had the opportunity to interact with more than **280** employers via personal interaction. Career Services hosted nearly **50** employers on-campus, with almost 25 organizations participating in the annual career fair on-campus, and nearly 15 employers at the inaugural part-time job fair. The additional recruiters set up tables and informational sessions to talk with students about opportunities. The annual Career Expo, in conjunction with Missouri State University, Drury University, College of the Ozarks, Southwest Baptist University, gathered more than **170** employers to recruit students for a variety of career opportunities; and the annual Education Career Day drew more than **65** employers to recruit teachers for a variety of positions.
