Academic Support
The university has two centers to assist students. The staff at the Center for Student Success can help with study strategies, tutoring, academic accommodations, career services, and/or time management.

The Write Place
Located in Trask Hall 202, The Write Place is a free service offered to students wanting to hone their writing skills. From brainstorming to completing the final draft, The Write Place staff offers coaching and support through the writing process. Tutors are able to assist students in a variety of ways, most frequently by suggesting improvements for both the content and the structure of a paper. Although The Write Place is not an editing service, the tutors do teach correct grammar and punctuation, which the student may then apply to their paper. Students must be present to receive assistance and take an active role in the process.

College of Adult and Graduate Studies Lounge
Located in Zimmerman 212, the lounge is a great place to check your email or print homework before a class. It’s also a comfortable place to meet classmates for a study session or to relax and eat dinner after work.

Graduate Assistantships and Scholarships
Awarding of assistantships and departmental scholarships are determined based on a combination of the following factors:
• Superior academic record
• Strong GRE scores as required
• Previous grants, published works, or professional organizations

The application for Graduate Studies assistantships and scholarships are in the student portal. Steps to finding the application for your area of interest:
1. Student Portal
2. Select “Money” Link on left
3. Scholarships Tab
4. Select Departmental

Student ID Card and Parking Permit
Once you have completed financial registration, you can go to the Department of Public Safety to get your Crusader Card (also known as a prox card) and parking permit. You should keep your Crusader Card with you at all times as you will need to scan it to enter your residence hall or The Mabee Fitness Center, eat in the cafeteria, check out library books, record chapel attendance, and enter some campus buildings after 5 p.m.

To get your ID card made and/or your car registered, bring your driver’s license (or state ID, passport, military ID), along with a financial registration receipt (if you completed registration within the last 24 hours) to the Department of Public Safety (open 24/7) in the Riggs Administration Building, Room 208. Hats are not permitted for ID photos. For a parking permit, you will also need your vehicle’s license plate number. A parking permit must be properly displayed on all motor vehicles, motorcycles, and bicycles.
