REGISTRATION PROCESS

STEP 1 Account Creation

Locate your account information
You received an email titled “Evangel University Network Account Creation.” Included in that email are your username, student ID, student email, and temporary password. You will use this information to log in to your network accounts. Make sure you store this information in a safe place for you to reference when needed.

Set up your permanent password
For security reasons, your temporary password can only be used once. Your new password will be used for all of your Evangel logins (student portal, student email, etc.). Your new password must be at least 17 characters long and should contain a combination of uppercase letters, lowercase letters, and numbers. You will create your new password using your student email and the temporary password provided to you in the email you received about network account creation.

Check your email often
EU offices are required to use the EU email address to communicate with students. It is imperative that you set up your account and check your email often.

STEP 2 Admissions

Send us your final, official transcripts
Please send us your official high school and/or college transcripts. High school transcripts must include your final cumulative GPA, high school graduation date, and class rank. You can hand deliver the transcript in a sealed envelope, or have your high school or college mail or FAX the transcript directly to the Admissions Office.

STEP 3 Financial Aid

If you haven’t already, and would like to apply for need-based federal and institutional aid, please file the Free Application for Federal Student Aid (FAFSA) at fafsa.ed.gov. Have your results sent to Evangel by entering school code 002463.

Accept and/or decline awards
You will receive a letter in the mail with your list of federal and institutional awards. Once you’ve reviewed them, you will need to log into your student portal, visit the My Financial Aid section, and select “Accept Awards” from the menu to accept and/or decline your awards.

Complete financial aid documents
Upon accepting and/or declining your awards, you will need to complete the required documentation. Go to the “Documents” page in the My Financial Aid section of your student portal to complete your documents.

Verification
When you are selected for verification, you will receive information via your student email and postal mail. You can also find the verification forms under the “Documents” section on the My Financial Aid page.

If you have any questions, please contact the Office of Financial Aid: finservices@evangel.edu or 417-865-2815 x7300.
Complete the Registration Checklist
The tasks listed below are required. To access your checklist:
• Log into your student portal
• Find the “Evangel Undergraduate” list

Pay your enrollment deposit
You can pay your $200 enrollment deposit via your student portal, or you can call us at 417-865-2815 x7308 to pay by phone.

Deposit refund cancellation deadline
The cancellation deadline for an enrollment deposit refund is May 1 for the fall semester and December 1 for the spring semester. Deposits received after May 1 for the fall semester and December 1 for the spring semester are non-refundable.

Complete your housing forms
Resident students
Complete the housing application online and select a preferred residence hall. The housing application can be found in your student portal.

Housing, per semester
• Double Room $2,152
• Single Room $3,228

Commuter students
Complete the off-campus housing questionnaire in your student portal. If you are under the age of 24, you must also submit the parental endorsement form, found on the student portal. Forms may be returned by fax, mail, email, or in person to the housing office as directed on the form.

Choose a meal plan
When selecting housing, you will also be prompted to select a meal plan from among three options. Commuter students may choose a block plan if desired. See page 7 for more information.

Complete the academic survey
Upon completion of the academic survey, you will be assigned an academic advisor in your designated program area and your schedule will be created. You will receive an email from your advisor when your schedule is complete so you may review it.

Complete your financial aid information
Accept and/or decline your financial aid awards. See page 5 for additional information.

Complete bill and payment options
You will have the ability to view your bill and select a payment option. Payments are due at financial registration.

Before each semester begins, you will complete the registration steps online using the Student Portal.
Evangel Dining Options
Resident students have three meal plan options: 10 meals, 15 meals with 75 Bonus Bucks, or 20 meals with 100 Bonus Bucks for use in the Crusader Dining Hall, the Joust, and in The Barracks coffee shop (proudly serving Starbucks coffee). Please note, food service is not available during Thanksgiving, Christmas and spring breaks.

The food service staff also works with students who have specific dietary requirements due to allergies, medically required meals, and food intolerances such as gluten or dairy. Are you a vegetarian? We also offer several options to meet those needs as well. Contact Joey Roberts at robertsj@evangel.edu, 417-865-2815, ext. 7252, or see her at the Crusader Dining Hall for a consultation. If food service is unable to accommodate a severe medical dietary need, a review panel may suggest other alternatives. In these rare cases, students may contact the housing director (in Riggs Hall, 302C) to apply for a partial or full meal plan exemption.

Block Plans (For commuter students)
- 45-block plan: $400

Students may eat any of the meals offered each week until they have reached their limit. Meal plans expire on Sunday and the new count begins on Monday. You can also purchase meals using Crusader or Bonus Bucks or purchase food/snacks at the Joust and The Barracks.
Use of Meal Plans
All resident students must participate in an approved meal plan, except for student teachers and upper-class nursing students, who may be exempt. Inquire at the housing office for additional options. Students may change meal plans until Friday, August 30, 2019 for the fall semester and Friday, January 17, 2020 for the spring semester. After this deadline, you may not reduce your meal plan; however, you may increase your meal plan if you find that you need more meals. Students will be required to pay cash for any meal they wish to eat after their meal plan runs out for that week.

What Is Meal Equivalency?
Meal equivalency is exchanging one of your all-you-care-to-eat meals in Crusader Dining Hall to an entree, side, and drink in the Joust. Equivalency hours for The Joust are Monday–Friday:

- Lunch Hours: 10:30am–3:45pm
- Dinner Hours: 4–7:30pm

Please contact the dining hall staff with specific questions concerning these accommodations.

Additionally, staff at The Write Place can help students hone their writing skills from brainstorming ideas to final project details.

Bookstore
Get the best deal when you buy or rent new, used, or digital textbooks for your courses with our Best Price Promise program, which allows you to compare and price match necessary textbooks. More details are available through the bookstore.

The bookstore is located on the first floor of the Cantrell Student Union and is open 9am–5pm weekdays. You can also order online at www.evangel.edu/student-resources/campus-bookstore.

Break Period Housing

Students may remain on campus during fall and spring breaks. Meal service is provided during fall break, but not during spring break. However, there are several dining options nearby, including Taco Bell, Schlotskys, Panda Express, and Rib Crib.

Campus Employment
Evangel University Career Services, located in the Student Success Center, offers a variety of resources to assist with the job search and career development process. Resources include: career-related workshops, individual career counseling and job search assistance, career and strengths assessments, career-related workshops, on-campus recruitment and career fair opportunities, cover letter and resume writing assistance, graduate school exploration, online tools, and more.

Campus jobs are competitive and many students secure the same position for all four years of attendance. Students can view work study and other on-campus positions, as well as off-campus jobs and volunteer opportunities at www.HireEvangel.com.

The Federal Work-Study (FWS) program is a student employment program through which the federal government subsidizes earnings for hours worked in campus employment positions. It is a need-based program, meaning students must demonstrate financial need on their FAFSA in order to work and earn FWS dollars that will assist in educational and living expenses while attending school. It is not an automatic financial award, but rather an opportunity to earn the award by taking the initiative to find a job on-campus and earn wages. Due to funding restrictions, FWS positions may not be available to all eligible students.

Students interested in directly depositing their paycheck into their student account may opt for voluntary payroll deduction (contact Office of Human Resources for additional information). This form needs to completed and signed each academic year.

Campus Tours
The Admissions Office will provide campus tours during move in and orientation week.

Clubs and Organizations
Evangel students have a variety of departmental interest groups, culturally-diverse clubs, and honor societies to choose from. Options include Art Group, Psychology Club, Student Investment Group, Alpha Chi, ENACTUS, student media, and musical ensembles. A complete list can be found at https://www.evangel.edu/clubs-and-organizations/

Disability Services
The Center for Student Success assists students with documented disabilities (under federal law, section 504 of the 1973 Rehabilitation Act, 1990 Americans with Disabilities Act) and provides reasonable academic accommodations.

For special accommodations related to academic life, contact Disability Services Coordinator Stephen Houseknecht at 417-865-2815, x8271 or houseknechts@evangel.edu.

For special housing accommodations, and information about service or assistance animals, contact Housing Director Pam Smallwood at 417-865-2815, x7335 or smallwoodp@evangel.edu.

Health Services
Students who become ill or injured may be treated in the Health Services Department, located in the Student Union Suite 106. Enrolled students who have paid the general student fee may schedule appointments with our certified family nurse practitioner. The nurse practitioner can diagnose and treat most common, non-emergency health conditions that students experience during their college years. Students may be seen for an unlimited number of appointments without office visit charges or copays. Nominal fees are charged for immunizations, laboratory tests, medications and some procedures. Office hours are 8am–4pm weekdays. Call 417-865-2815 x7280 to schedule appointments.

Students can cash checks at the cashier’s window in Riggs Hall ($200 daily limit). There is also an ATM located in the student union, sponsored by the Assemblies of God Credit Union. For your convenience, AGCU will be on campus during EU Launch for students who would like to open a local account.

Postal Services
Evangel University’s post office is set up for all your postal needs: shipping, receiving, stamps, envelopes, and all postal supplies.

If you reside on campus, you have an assigned mailbox. Your box number will be your residence hall followed by your room number. For example, if you live in Burgess 304 your box number will be “Burgess 304”.

Note: All residential students are assigned a post office box and will receive departmental, faculty, and staff mail.

Student ID Card and Parking Permit
Once you have completed financial registration, visit the Department of Public Safety to get your Crusader Card (also known as a prox card) and parking permit. Keep your Crusader Card with you at all times as you will need to scan it to enter your residence hall or the Mabee Fitness Center, eat in the cafeteria, check out library books, record chapel attendance, and enter some campus buildings after 5pm.

To get your ID card made and/or your car registered, bring your driver’s license (or state ID, passport, military ID), along with a financial registration receipt (if you completed registration within the last 24 hours) to the Department of Public Safety (open 24/7) in the Riggs Administration Building, Room 208. For a parking permit, you will also need your vehicle’s license plate number. A parking permit must be properly displayed on all motor vehicles, motorcycles, and bicycles.

Tuition Refund Policy
Students who withdraw from Evangel may receive a partial refund of tuition and room and board. See the catalog for details.
