Faculty members involved in this assessment process:	Jeff Fulks			
Number of students in sample:	21			
Instrument(s) used in assessment:	Assessment Checklist			
<i>Additional Data:</i>	Course Syllabi			
Methodology:				
Results of Assessment:	Assessment plan is in its infancy but consistent with the program as it had only completed one term of courses in the year under review. There is no learning outcome data collected at this point in time.			
Data:	No data collected. In the 2017-2018 academic year only two courses were offered.			
Strengths:	Lots of opportunity for

	development as this is a new program.			
Areas in need of improvement: (From the findings, list the areas of weakness(s) that currently exist in the academic program.)	The program must develop an assessment plan so that routine assessments can be conducted and provide data suggesting opportunities for program improvement. Once data has been obtained and analyzed, opportunities for improvement will be identified.
