Participation in the Matching Church Leadership Scholarship program by a sponsoring church involves accepting responsibility to make contributions in accordance with Internal Revenue Service guidelines. **Specifically, this means that contributions from this scholarship program must be from the church and cannot represent designated gifts from an individual for a particular student.** Failure to adhere to these guidelines could jeopardize the scholarship program.

Evangel University agrees to 1:1 match for church contributions up to \$250 per semester for a student who meets the criteria for the scholarship. Church contributions should be made payable to Evangel University and may be sent with the application.
