		46	19	

X = required A,B,C = choice (from same letter)

The Communication Studies minor may only be combined with majors outside of the Communication Department.

All Communication majors are required to complete an off-campus communication organization participation, membership, trip, or event before graduation.

The Communication Studies major must be taken as part of either a Bachelor of Arts program or Bachelor of Science. The student taking this major must also have a minor for graduation.

COMM 100 University Seminar is needed for general education requirements.

The listing above only refers to those requirements related to the major and/or minor required for graduation. The student must also complete all general education requirements assigned by Evangel University. The student hereby agrees that he or she is ultimately responsible for their own degree program. An academic adviser is assigned to the student for guidance in these matters, but the responsibility for meeting the requirements belongs to the student.
