Dear Evangel Student,

First, congratulations on completing spring semester 2020! I'm so very proud of you, but we sure have missed you. The campus just isn't the same without you here.

I'm so pleased to share with you the news that we received the designated COVID-19 CARES Act funding to distribute to our students. Your enclosed check is to assist you with expenses related to the effects of COVID-19 on your education at Evangel University. Section 18004(c) of the CARES Act provides emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, healthcare, and child care).

We received and have now disbursed \$925,362 to assist our EU students with guidance from the U.S. Department of Education, attorneys, and CARES Act consultants. Eligibility and awards were determined based on the following factors:

- Students must have a valid FAFSA on file with the University during the time they have been enrolled as a degree-seeking student at Evangel University and be eligible to receive Title IV financial aid.
- Only students in traditional undergraduate residential programs on the main campus or at James River College are included. Students enrolled in online education are not eligible.
- In addition, students enrolled in residential Graduate level programs were not included because funding was limited, and graduate students are eligible for stimulus checks provided to taxpayers under the CARES Act.
- Students enrolled at the time of the closure and affected by the disruption, who did not withdraw from the University during the term, are included.
- Funding was allocated to "prioritize students with greatest need," and "ensure these funds are distributed as widely as possible," as suggested by Secretary of Education Betsy DeVos in her April 9, 2020, letter to College and University Presidents.

Payments to students are being made in the following amounts:

- On-campus student receiving Pell Grant funds: \$919
Includes one month of off campus room/board expenses as calculated by Evangel's cost of attendance plus 25% for a total of \$856. Also includes \$63 for miscellaneous expenses for a total payment of \$919.
- On-campus student without Pell Grant funds: \$705

Includes one month of off-campus room/board expenses as calculated by Evangel's cost of attendance for a total of \$642. Also includes \$63 for miscellaneous expenses for a total payment of \$705.

- Commuter student receiving Pell Grant funds: \$450
Includes one month of miscellaneous expenses as calculated by Evangel's cost of attendance, plus 25% for a total payment of \$450.
- Commuter student without Pell Grant funds: \$360
Includes one month of miscellaneous expenses as calculated by Evangel's cost of attendance for a total payment of \$360.

These funds may be used at your discretion. Students interested in using these funds to make existing or future tuition/fee/room/board payments can pay online through their student portal, or mail a check or money order to:
