

# MASTER OF ORGANIZATIONAL LEADERSHIP

**Leadership includes a variety of responsibilities such as developing people and teams, managing change, casting vision for the future, and inspiring people to work together better.**

Evangel University's **Master of Organizational Leadership** program provides application-oriented coursework that increases your organizational and leadership knowledge, clarifies your brand, and enhances your skills to **lead others**, with an emphasis on **Christ centered leadership**, you will learn to invest in your organization through:

- ▼ Emotional intelligence and developing people
- ▼ Organizational design and development
- ▼ Personal fulfillment as you refine your calling and strengths

Ideal program candidates are **aspiring leaders** who are ready to develop their skills and **in-position leaders** who desire to expand their influence.

**Prerequisites:** Required number of 30 credits (21 core/9 elective)

**Format:** 14 months of online courses - no residency required

**Cost per credit:** \$400 per credit for 2020-2021
