

Pre-Physician Assistant Track (Biology Major)

A Physician Assistant (PA) is a healthcare professional licensed to practice medicine under the supervision of a licensed physician. The Physician Assistant graduate degree requires an undergraduate degree and two additional years of study at a school accredited by the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA).

Suggested Course Sequencing: Recommend 15 – 18 semester hours;
however, attending summer school will reduce semester hours.

Total minimum to graduate 124
and must include at least 36 upper division credits

[a] Those not prepared for CHEM 111 should take CHEM 101 - Introduction to Chemistry.

Graduation requires an overall GPA of at least 2.0, and 30 of the 40 final credits must be taken at Evangel. The listing above only represents a suggested course sequencing as required to graduate with this major. Students are ultimately responsible for their own degree program. An academic advisor is assigned to the student for guidance in these matters, but the responsibility for meeting the requirements belongs to the student.
