

EVANGEL UNIVERSITY ASSESSMENT TEAM

The purpose of the Evangel University Assessment Team is to promote, support and monitor general education and academic program assessment activities at the university. The Team's role and responsibilities are to:

1. Provide support, workshops and consultation with faculty and program leaders regarding learning outcomes assessment.
2. Oversee implementation of learning outcomes assessment plans by departments and programs as they relate to majors and general education at Evangel University.
3. Work with the Office of Institutional Effectiveness to create an annual schedule of assessment activities, plans, and reports.
4. Review guidelines, policies, templates and forms for assessment plans and reports.
5. Review program annual assessment plans and reports and provide recommendations and feedback.
6. Review the results of program review and make recommendations from the perspective of student learning and assessment evidence as they relate to curriculum and resource allocation.
7. Promote campus discussion and reflection on learning outcomes assessment.
8. Coordinate with the Office of Institutional Effectiveness, the Core Curriculum Committee, the Undergraduate Academic Council, the Graduate and Professional Studies Councils to develop links between institutional priorities, assessment, program review, and general education.
