

# MASTER OF SCIENCE IN ATHLETIC TRAINING

**Athletic trainers are skilled clinical practitioners who provide advanced care and professional leadership in sports medicine.**

Accredited by the **Commission on Accreditation of Athletic Training Education**, Evangel University's **Master of Science in Athletic Training** prepares you to diagnose, treat, and rehabilitate physically active individuals' injuries and illnesses. Through this professional program, you'll be mentored by outstanding faculty made up of licensed, experienced health experts. Graduates may work in therapy clinics, hospitals, military bases, professional sports, universities, high schools, and corporate organizations.

- ▲ Clinical experiences through CoxHealth Systems, which has a Level 1 trauma center and state-of-the-art physical therapy facility
- ▲ Emphasis on functional rehabilitation and athletic training leadership and administration
- ▲ Small class sizes (no more than 15:1 student to faculty ratio)

## Prerequisites:

- ▲ Bachelor's degree from an accredited college or university with a GPA of 3.0 or higher
- ▲ Grade of "C" or higher in Anatomy and Physiology, Biomechanics, Intro to Chemistry, Intro to Physics, Intro to Psychology, Exercise Physiology, Medical Terminology, Nutrition, First Aid and CPR certification
- ▲ Submission of documented observation hours (minimum 35)

**Program starts:** June

**Program format:** Seated

**Tuition:** \$400 per credit for 2018-2019

## ADMISSION REQUIREMENTS

Online application; Resume; Statement of purpose; Official college transcript(s); Background check (*required for clinical experiences*);  
Three references; Interview
