

Dear Student,

On December 27, 2020, the Coronavirus Response and Relief Supplemental Appropriates Act (CRRSAA) was signed into law allocating funds to the Higher Education Emergency Relief Fund II (HEERF II). Under HEERF II, Evangel University (EU) received funds to provide emergency financial aid grants to students to assist with the cost of attendance or emergency costs that arise due to coronavirus such as: tuition; food; housing; health care (including mental); and child care.

In order to receive your funds, please complete the following survey prior to April 6, 2021. It is located at:

<https://web.evangel.edu/Portal/Student/Money/forms.asp> (Student portal-Money/Forms tab).

In this survey, you will notify EU if you would like to have all or a portion of your funds applied to your EU student account. We also need your address, so we know where to send the check. For online and graduate students, your checks will be mailed to you unless you live in the Springfield area and request the option to pick up your check. For traditional undergraduate students, you will have the option to pick-up your check on Thursday, April 15, or have it mailed to your home address.

We are grateful EU received \$925,362 and will disburse \$929,976 to assist students using the designated student portion of HEERF II. Eligibility and awards were determined based on the following factors:

- Students must have been enrolled as a degree-seeking student at Evangel University on March 5, 2021 when the fund allocations were determined. Non-degree seeking, non-credit, and dual enrolled students were not included.
- Students in the traditional undergraduate residential programs on the main campus, James River College, College of Adult and Graduate Studies, and Assemblies of God Theological Seminary were included.
- Per the law, only U. S. citizens were included. International, undocumented, and DACA students were not included.
- Based on guidance received from the Department of Education, funding was prioritized to students with the greatest need. The allocation of funds is based on the EU Cost of Attendance, your Expected Family Contribution if you filed the FAFSA, grants and scholarships you are receiving to help assist with expenses and eligibility for the Federal Pell Grant. Unmet federal need after scholarships and grants was also used in the formula to determine allocation amounts. Unmet need for this purpose was calculated by subtracting the Expected Family Contribution, as well as, scholarships and grants from the Cost of Attendance. The Cost of Attendance includes direct and indirect expenses.

Payments to students are being made in the following amounts:

Category	Number of Students	Grant Amount Per Student	Total per Category
On Campus student receiving Federal Pell Grant funds	290	\$675-\$1,055	\$249,817
On Campus student without Federal Pell Grant funds	631	\$544-\$844	\$331,030
Commuter student receiving Federal Pell Grant funds	155	\$450-\$703	\$86,314
Commuter student without Federal Pell Grant funds	195	\$288-\$563	\$67,106
Distance Education student receiving Federal Pell Grant funds	140	\$300-\$469	\$51,919
Distance Education student without Federal Pell Grant funds	585	\$192-\$375	\$143,790
Total:	1996		\$929,976*

*Evangel University received \$925,362 to provide to students but added additional funds to provide coverage for students delivering \$929,976 to recipients.
