

Dear student,

On March 11, 2021, the American Rescue Plan Act of 2021 (ARP) was signed into law allocating funds to the Higher Education Emergency Relief Fund III (HEERF III). Under HEERF III, Evangel University (EU) received funds to provide emergency financial aid grants to students to assist with the cost of attendance or emergency costs that arise due to coronavirus such as: tuition, food, housing, health care (including mental), and childcare.

To receive your funds, please complete the following survey prior to November 5, 2021. It is located at <https://web.evangel.edu/Portal/Student/Money/forms.asp> (Student portal-Money/Forms tab).

In this survey, you will notify EU if you would like to have all or a portion of your funds applied to your EU student account. We also need your address, so we know where to send the check. For online and graduate students, your checks will be mailed to you unless you live in the Springfield area and request the option to pick up your check. For traditional undergraduate students, you will have the option to pick up your check on Tuesday, November 16, 2021, or have it mailed to your home address.

We are grateful EU received \$2,615,645 in HEERF III student designated funding. From this allocation, we will disburse \$1,296,649 in fall 2021 to assist students. The remaining funds will be disbursed to degree-seeking students enrolled in spring 2022.

Eligibility and awards were determined based on the following factors:

- Students must have been enrolled as a degree-seeking student at Evangel University on October 15, 2021 when the fund allocations were determined. Non-degree seeking, non-credit, and dual enrolled students were not included.
- Students in the traditional undergraduate residential programs on the main campus, James River College, College of Adult and Graduate Studies, and Assemblies of God Theological Seminary were included.
- Based on guidance received from the Department of Education, funding was prioritized to students with the greatest need. The allocation of funds is based on the EU Cost of Attendance, the Expected Family Contribution if the FAFSA was filed, grants and scholarships you received to assist with expenses, and eligibility for the Federal Pell Grant. Unmet federal need after scholarships and grants was also used in the formula to determine allocation amounts. Unmet need for this purpose was calculated by subtracting the Expected Family Contribution, as well as scholarships and grants from the Cost of Attendance. The Cost of Attendance includes direct and indirect expenses.

Payments to students are being made in the following amounts:

Category	Number of Students	Grant Amount Per Student	Total per Category
On Campus student receiving Federal Pell Grant funds	290	\$743-\$1,450	\$338,870
On Campus student without Federal Pell Grant funds	661	\$594-\$1,160	\$469,195
Commuter student receiving Federal Pell Grant funds	148	\$495-\$967	\$112,063
Commuter student without Federal Pell Grant funds	228	\$396-\$773	\$104,179
Distance Education student receiving Federal Pell Grant funds	137	\$330-\$645	\$76,338
Distance Education student without Federal Pell Grant funds	562	\$264-\$516	\$196,004
<b>Total:</b>	<b>2026</b>		<b>\$1,296,649</b>

Sincerely,

Office of the Bursar
