

Pursuing a criminal justice career is a heroic calling. We give you the tools you need to make a positive impact in your community.

Evangel University's online **Bachelor of Science in Criminal Justice** prepares you for the responsibility to **protect and serve** by delivering practical instruction based in real-world scenarios. Centered in a **Christian worldview**, our instructors will hone your skills in criminology, legal procedure, models of incarceration and rehabilitation, and crime scene investigation. This online program will help you establish a **solid foundation** in the principles, theories, and practices of the criminal justice system to **launch your career**.

Outcomes you can expect to achieve:

- Knowledge of the **laws, procedures, and policies** which govern how criminal justice agencies operate.
- Ability to apply **investigation skills, criminology theories, and critical thinking** to cases.
- Gain the values and skills to **function competently** and ethically in the professional settings of criminal justice.
- Promote the public good by engaging the criminal justice field using a **Christian worldview**.
