EVANGEL UNIVERSITY EDUCATION DEPARTMENT

Education

Bachelor of Science or Bachelor of Arts

All Teacher Education Programs at Evangel University are accredited by the Higher Learning Commission (HLC) and approved by the Missouri Department of Elementary and Secondary Education (DESE) as an Educator Preparation Program. The Evangel University Education Department is authorized to offer coursework and recommend teaching certification candidates.

Pursuant to 5 CSR 20-400.440, the Missouri Standards for the Preparation of Educators detail the specific responsibilities of all entities granted the authority to recommend candidates for educator certification in the state of Missouri.

Until July 2024, Pearson Education provides the following assessments required for educator program admission and educator certification:

Missouri General Education Assessment (MoGEA): This test for admission into undergraduate educator preparation programs in Missouri includes sections on English language arts, writing, mathematics, science, and social science. The assessment began in September 2013 and replaced the College BASE (CBASE) test. Evangel has adopted the option to substitute the MoGEA with an ACT composite score of 20+.

Missouri Content Assessments (MoCA): An assessment measuring content knowledge. A minimum score of 220 makes a student eligible for Missouri teacher certification.

Missouri Educator Evaluation System (MEES): Assessment of a candidate's ability to apply knowledge in authentic educational environments. The results of these assessments are used to validate candidate eligibility for certification.
