

SOCIAL SCIENCE (ONLINE)

2026-27 Fact Sheet

**There are lots of ways to help people.
We give you the training you need to
impact your world.**

Evangel University's online Major in Social Science provides flexible and strategic exposure to the various subdisciplines in the social and behavioral sciences. The 30-credit major program can combine focused coursework across three or more related but diverse fields of study toward the career of your dreams.

Outcomes you can expect to achieve:

- Appreciation of human history, world geography, and culture diversity
- Ability to apply social science theories and research to current social problems
- Gain the values and skills to function competently and ethically in the professional settings of social service organizations.
- Promote the public good by engaging the social sciences using a Christian worldview.
