

Addiction Studies

Online

Earn your bachelor's degree in **Addiction Studies** and make a lasting difference in the lives of others. Completing an accredited college degree will enhance your career prospects in the field of addiction treatment and recovery, as well as propel you into graduate programs and professional licensure.

Evangel University's online **Bachelor of Science in Addiction Studies** consists of 15 relevant and practical courses which cover the science and theory of addiction, research supported treatments, report writing, group facilitation, case management, cultural diversity, domestic abuse, and professional ethics. In addition, gain hands-on experience and documented hours needed to pursue state credentials through 300 hours of supervised practicum.

Outcomes you can expect to achieve:

- Knowledge of **scientific models** and **effective treatments** of chemical and behavioral addictions.
- Ability to apply skills and techniques in case management, group facilitation, assessment, and interpersonal helping.
- Demonstrate **professional ethical standards** and Christian faith integration as an addiction practitioner.

ADMISSION REQUIREMENTS

Online application, official transcript(s), one reference.
