Bachelor of Arts in Art Education

The following Program Learning Outcomes have been established by Evangel faculty to define the areas of knowledge and skills that students graduating from this major degree program should have developed. At the conclusion of this program, students will be able to:

1. Speak and write knowledgeably about art history and its relationship to societies past and present, to faith, and to one's own artistic practice.
2. Explain the basic structural elements and operative principles in works of art and design from any major period of human history.
3. Demonstrate interpretive skills by discussing the philosophical potentials in works of art.
4. Integrate personal Christian faith and the arts by explaining their mutual relevance and by demonstrating it in one's own personal art work.
5. Produce creative original artwork in a variety of media, using appropriate tools and methods skillfully.
6. Develop the beginnings of a personal artistic style that can be extended into a professional career in the arts.
7. Demonstrate professional dedication to promotion of the arts in general and to the disciplined study and practice of one's own area of interest in particular.
8. Demonstrate enthusiasm for undertaking a career in the arts.
9. Demonstrate in-depth understanding of Art teaching methods, best practices, standards (national, state, and institutional), and pedagogical theories by applying them to classroom situations to improve students' art proficiencies and competence.
