

College of Arts and Sciences

Behavioral and Social Sciences Department

Bachelor of Arts and Bachelor of Science in Social Science Education

The following Program Learning Outcomes have been established by Evangel faculty to define the areas of knowledge and skills that students graduating from this major degree program should have developed. At the conclusion of this program, students will be able to:

1. Explain Social Science Education as a field of study.
2. Explain principles expressed in documents shaping Constitutional Democracy in the United States.
3. Explain continuity and change in the history of Missouri, the United States, and the World.
4. Discuss principles and processes of governance systems.
5. Discuss economic concepts and principles.
6. Identify elements of geographical study and analysis.
7. Compare relationships of individuals and groups to institutions and cultural traditions.
8. Utilize social science tools and inquiry.
