Agreement

I recognize that my signature constitutes our entrance into a Consortium Agreement as a Title IV Eligible Institution with the Council for Christian Colleges & Universities (CCCU), should any of our students be approved by our institution to enroll in any CCCU semester or summer study program. It will be our institution's responsibility to determine eligibility and disbursement of financial aid and to determine the use of recommended credits. The CCCU will certify enrollment and participation in said programs, will notify our registrar of recommended grades, and will invoice our institution for fees. It is understood that the CCCU does not provide financial aid for students enrolled. The CCCU will notify our institution immediately of student withdrawals and understands that refunds are subject to Title IV regulation.
